TO ALL PARENTS/GUARDIANS,

On behalf of the School Management and the entire teaching staff, I thank you all for all the endeavor you are doing to ensure the proper growth of the African Child mainly in only secular primary school so far in Uganda and Africa as a whole.

I wish to inform you that we have finished doing end of Term One Examinations meaning that the term has come to an end. You are therefore informed that your children of Baby Class up to P.2 should stay at home and P.3-P.6 shall come to school so that their teachers are able to prepare their examination results in time. These results will be ready on Thursday 21st.04.2011 from 8:30 AM to 11:00 AM and every parent is requested to come with his child and pick them in person.

Note: No results shall be given to children unless there is a genuine reason given by the parent or guardian.

On this note therefore you are requested to ensure that you have finished all your payments required from you by the school. I end this circular by thanking you for supporting our school and look forward for your continual cooperation next term. Waiting for your cooperation.

Yours in the Humanist Spirit,

.....
